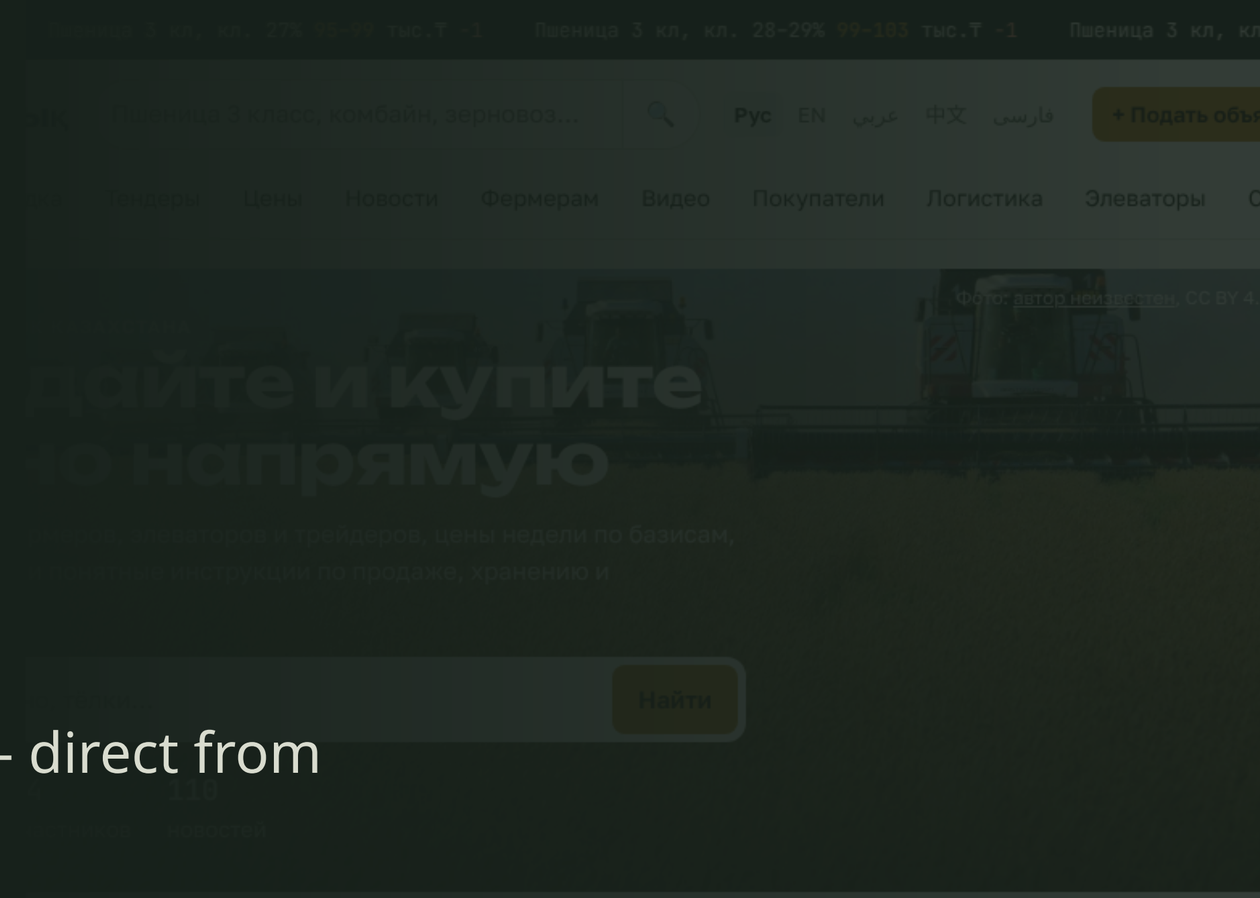
FOR MINISTRIES, CHAMBERS AND IMPORTERS

Astyq Naryq

Kazakhstan grain, feed and agri products — direct from producers



Igor Pogolovkin
Director, Astyq Naryq · astyknaryk.com · +7 778 497 88 88

OPPORTUNITY

Kazakhstan is a major exporter of wheat and flour to Central Asia and Afghanistan

Direct

Buyers reach Kazakh farmers, elevators and flour mills without a chain of intermediaries

Transparent

Weekly prices for 10 crops: EXW, exchange, export

Free

Registration, listings and tenders are free for buyers

TOOLS

astyknaryk.com — Kazakhstan’s agri market in one place

Listings

Wheat, flour, barley, corn, oilseeds, feed, livestock

Tenders

Post a purchase — Kazakh sellers bid with price and basis (DAP/FCA/EXW)

Prices

Weekly review of prices and export quotes

Logistics

Truck and rail freight calculator, database of 170 elevators

HOW TO BUY

A purchase tender in 3 minutes

1. Specify crop, volume, quality and delivery basis
2. Sellers from Kazakhstan send offers
3. Choose the best price and get the seller’s contact
4. Notifications by email and Telegram
